

Added to Normal Staff

These two leading teachers of health and physical education in the southwest have been added to the teaching staff of the Louisiana State Normal college, Natchitoches, for the 12 weeks' summer session which opened this week. The new instructors for the short session at the state college are: Miss Julia Connally (left) of El Paso, Texas, and Dr. Mary Agnes Murphy of Denton, Texas. Miss Connally holds the M. A. degree from Texas State college for Women at Denton, Texas, and Dr. Murphy holds the Ph. D. degree from the University of Iowa. Both have had wide experience in the teaching field.
